Music Ministry Consultant Services

David Zudweg is the president and founder of Milestone Music and has served as a music minister for nearly 30 years. He believes that anointed music ministered by anointed musicians can bring about life changing results for today's church.

David has led the music ministry of a congregation that grew from 300 to over 3,000 people. He has created produced and directed major musical presentations that reached over 20,000 people for each event series. David is especially passionate about providing the type of worship tools for churches that would allow them greater intimacy with God.
